The school has an opportunity to submit a response to demonstrate corrective action regarding the Commission's grounds for the Warning.

1. United Aviate Academy ("UAA") must fulfill all process and reporting requirements in accordance with *Section I (G) (2)(c), Rules of Process and Procedure, Standards of Accreditation*, and as required by the Commission's May 28, 2024 Warning. 3. UAA must demonstrate that the school's financial structure is sound with resources sufficient for the proper operation of the schools and the discharge of obligations to students (*Section I (C)(1), Substantive Standards, Standards of Accreditation*).
4. UAA must demonstrate that the school supports reported student achievement rates through verifiable records and documentation of initial employment of its graduates and that the employment classification is verified by the school (*Section VII (B)(3), Substantive Standards, Standards of Accreditation & Appendix VII – Guidelines for Employment Classification*).
5. 7. UAA must demonstrate that the school has adequate management and administrative capacity in place and that the school ensures the continuity of management and administrative capacity through the reasonable retention of management and administrative staff (*Section I (A)(1 & 4), Substantive Standards, Standards of Accreditation*).
