ACCSC DISCLOSURE OF COMMISSION ACTION SUMMARY OF GROUNDS FOR WARNING ACTION

**Michigan Barber School (#M055562)
8990 Grand River Ave
Detroit, Michigan 48204**

September 5, 2024

The Accrediting Commission of Career School and Colleges has issued a Warning to Michigan Barber School located in Detroit, Michigan. Pursuant to ACCSC's *Rules of Process and Procedure*, the Commission publishes a summary of the reasons for the Warning. The school has an opportunity to submit a response to demonstrate corrective action regarding the Commission's grounds for the Warning.

Summary:

The most recent on-site evaluation conducted as part of the school's Warning status, contained findings in the areas of student achievement and student services/satisfaction. In response to that on-site evaluation report, Michigan Barber School submitted an Institutional Teach-Out Plan Approval Form which indicates that the school intends to close on approximately July 31, 2025 after completing the education of all currently enrolled students. The Commission voted to maintain the Warning status and to approve the teach-out plan with an update on the progress of all teach-out students for review at the February 2025 meeting.
